

News - Sheet

December 2007

Designed to give our members up to date information of
Benevolent Fund Developments

It is intended that we publish regular articles pertaining to the Fund or related subjects, in particular changes or decisions in the management of the Fund that may affect the future development of the Fund or Benefits of our members.

December 2007 – And once again the Festive Season is upon us for which we wish all of our members a very Happy Christmas Holiday, followed by a New Year to fulfil your expectations and personal wishes for 2008.

The London Ambulance Service Benevolent Fund

Wish you all a very merry Christmas and Happy New Year

For our members working over the Holiday period, THANK YOU and we trust that you will be able to spend some part of Christmas & the New Year with your Family and Friends.

Surprise – Surprise we not only negotiated a further years agreement for the production and purchase of the 2008 Diaries this year, but we had them all distributed to members in Mid November .

Damaged fixtures of our convalescence & recovery facility at Milford-on-Sea, Hampshire have been renewed or repaired, together with a new more robust carpet for the lounge area. This year we allocated all weeks but a few and LASRA took up their option for one week this year as agreed in 2006. Again all visitors are full of praise for the facility and chosen site.

Short & Sweet this year
